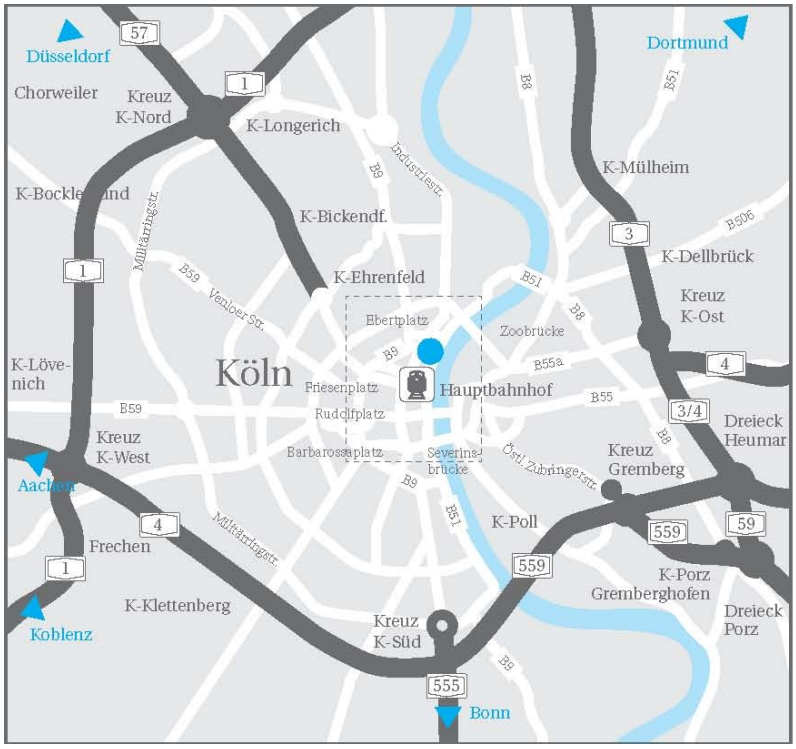
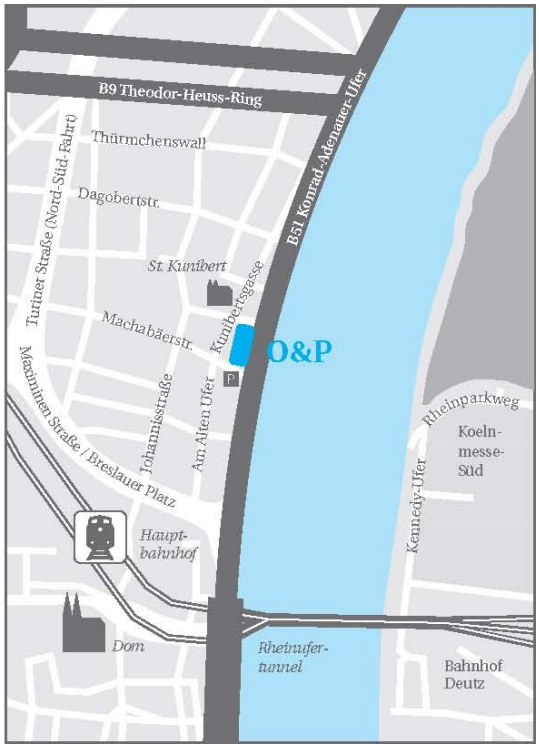
How to get to our office





Arriving from Cologne / Bonn airport

Tram (“S-Bahn“)

Take the tram shuttle (no. S13) to the central station (“Hauptbahnhof/ Hbf”). The journey takes 15 minutes. Leave the central station by the rear entrance in the direction of Breslauer Platz/Kunibertsviertel (not the “Dom” entrance facing the cathedral) and go straight ahead along Johannisstraße over the roundabout. Pass the Marriott Hotel on your right and just a few meters further turn right into Machabäerstraße. At the next junction turn left into Kunibertsgasse. You will already see our office building on the right, but our entrance is a few meters further, in the direction of the abbey Kunibertskloster, just around the next right corner. The walk from the central station to our office is about 650 m and should take you about 5 minutes.

Taxi

Expect a taxi ride of about 20 minutes and to be charged about 35 euro.
